

## Contribution Guidelines

### Oral Presentations

Time: 12 min + 3 min questions/discussion

Format: PDF or POWERPOINT

Speakers are requested to upload their presentation at the registration desk at least one day before their talk. You will NOT be able to use your own device/laptop for presenting.

Our presentation computers will be running on Windows 10 and are equipped with Power Point 2016, VLC-Player for Videos and Adobe PDF reader. Please ensure that your files are compatible with these programs. Mac users are kindly requested to save their files in a MS Office compatible format. The preferred aspect ratio is 16:9.

### Flash Talks

Time: 3 min + 1 min questions/discussion

Format: PDF or POWERPOINT

Speakers are requested to upload their presentation at the registration desk at least one day before their talk. You will NOT be able to use your own device/laptop for presenting.

Our presentation computers will be running on Windows 10 and are equipped with Power Point 2016, VLC-Player for Videos and Adobe PDF reader. Please ensure that your files are compatible with these programs. Mac users are kindly requested to save their files in a MS Office compatible format. The preferred aspect ratio is 16:9.

### Posters

Posters should be in A0 portrait format (119 cm x 84 cm).
